## Anniversary Sunday - October 16

Germantown Church of God celebrates 145 years of ministry this year. In 1871, revival services were held in the community. There were 30 – 40 conversions, who were organized into a Church. Throughout the years since then, many more people received new life through Jesus. Those followers of Jesus have handed us a good legacy to pass on to future generations. We believe it is appropriate to remember and celebrate our future. But we don't want to be looking backwards. We want to look to the future and continue to be involved in the work of bring people to Jesus.

On October 16, we will observe our anniversary with some special activities. The theme for the day is **Remembering our Past – Embracing our Future**. The theme is based on Hebrews 12:1-2: **“Therefore since we are surrounded by such a great cloud of witnesses, let us throw off everything that hinders and the sin that so easily entangles, and let us run with perseverance the race marked out for us.”**

Our celebration that day will begin with a special time of Worship at 9:30. The worship service will include lots of music. We will be singing some of the great hymns and gospel songs that we cherish from the past. And we will also sing some new contemporary songs from our day to help us think about reaching today's generations for Jesus. We will have some a challenging message from Pastor Lance Finley, executive director of the Churches of God. Following our worship service we will have lunch together.

The day will conclude with a concert by guitarist Rich Kiser, at 6:00 PM.

## MOVIE NIGHT SEPTEMBER 17, 2016 - 6:30 PM

**MIRACLES FROM HEAVEN** is based on the incredible true story of the Beam family. When Christy (Jennifer Garner) discovers her 10-year-old daughter Anna (Kylie Rogers) has a rare, incurable disease, she becomes a ferocious advocate for her daughter's healing as she searches for a solution. After Anna has a freak accident and falls three stories, a miracle unfolds in the wake of her dramatic rescue that leaves medical specialists mystified, her family restored and their community inspired.

**Admission is FREE**  
**Snacks will be provided**

## Baptism Service

Baptism is an opportunity to publicly express our faith in Jesus as our Savior. It demonstrates New Birth as we are plunged into the water and raised again to live a new life for Jesus.

We are planning to have a Baptism Service on Sunday, 18. If you have never been baptized, you are encouraged to consider this opportunity. If you are interested in being baptized, please contact Pastor Mark.

# MISSIONS NEWS

We receive updates from Missionaries that we support through our Missions Budget. These updates are posted on the Missions Bulletin Board in the hallway. Please take the time to read their newsletters. Also, the **Missionary Signal** contains helpful information about the work of Churches of God missions. Prayer is of utmost importance to our missionaries, so please learn about their ministries, so you can pray more specifically for them. Here are some updates we want to draw to your attention:

## **From Steve & Jan Trostle:**

Steve and Jan have been ministering in South Africa for over 20 years. They serve as teachers in a Christian School. They are also involved in a Church planting project. Please pray for the Simanyene Bible Church.

During a recent routine check-up, Steve's doctor discovered that his heart has an extra beat, and sent him to a cardiologist for further tests. The condition causes some fatigue and shortness of breath. The cardiologist does not feel it is a major concern at this time but it is something to watch. Please pray for Steve's energy level and that this condition will not cause any major problems.

## **From Whitney Buterbaugh:**

For the past 2 and a half years, Whitney has been involved in Campus Ministry at Penn State University. God has blessed her in this ministry. However, Whitney and her husband, Kyle have sensed God leading them in a different direction. Here is what Whitney shared in her most recent newsletter:

*"My husband and I have prayed and talked extensively this summer about our next step. At this time, we believe God is calling me to step down from campus ministry and go back into the work force. It is with great difficulty and many tears, that I have made this decision. These past two and a half years, God has not only grown my heart for the campus, but for the girls who I work so closely with as spiritual daughters. I will continue to be a part of this ministry in ways I feel able and I will continue to follow up and meet with the girls I have mentored.*

Thank you to those of you who have supported Whitney. Whitney's newsletter is posted. If you want to continue to support campus ministry at PSU, she has information in that newsletter about how to do so. God bless Whitney and Kyle as they move forward.

## **Dr. Gilbert Month – October**

Every year we designate the month of October as "Dr. Gilbert Month". Many of you know that Dr. Fidelia Gilbert served as a medical Missionary in Bangladesh for many years. In her retirement years, Dr. Gilbert lived in Cascade, and was a part of Germantown Church. She was instrumental in raising awareness of missions and missionaries here at Germantown.

Dr. Gilbert's birthday was in October, and so in her honor, we receive a special offering to support the Medical Ministries in Bangladesh. Here is some information about Churches of God ministries in Bangladesh:

*With 185 churches in six northwest districts, Bangladesh is our most extensive overseas ministry with departments in community development, education and medicine. In 2015, there were 7,863 members and 88 baptisms were reported by the churches. Student sponsorships (\$20 per month) provide quality education in Khanjanpur for 180 boys and girls from villages who otherwise could not afford it. Khanjanpur also has a blind school. There were 17 nursing school graduates and 24 newly enrolled nursing students in 2015.*

*Bogra Christian Hospital and Khanjanpur Health & Eye Clinics treated over 106,000 patients in 2015. A nursing program at Bogra equips nurses to work in medical facilities throughout the country. Health education classes are taught in the districts on such topics as hygiene & sanitation, clean drinking water, child marriage, and HIV-Aids prevention.*

**Uttam Dewan** of Bogra serves as Field Director

Would you consider making a special gift during the month of October in honor of Dr. Gilbert to support these important ministries? You can put your gift in an envelope and designate on the envelope that the gift is for the Dr. Gilbert Offering.

## **New Hope Shelter – Waynesboro**

The Waynesboro New Hope Shelter Inc. was established in 1998 to provide temporary housing for the homeless from Franklin, Fulton, and Adams counties in PA. New Hope Shelter offers food and lodging to men, women, and children. It operates year-round and serves about 150 people a year, of which one-third are children. Every resident is provided encouragement and the tools necessary to find employment and permanent housing. If you would like to volunteer or support New Hope Shelter, contact them at: 25 S. Potomac St. Waynesboro, PA 17268. Phone: 717-762-5840.

His parents, Dr. and Mrs. Yuan, assisted with the presentation from their point of view.

The sessions concluded with a challenge from incoming president, Pastor Philip Scott.

We hosted a five-day Cave Quest Vacation Bible School from 1-5 August 2016. The week was filled with singing, spelunking adventures and games. All in all we had a total of 40 children attend during the week, the average attendance each day was 28. In addition to the children, 19 adults served in one capacity or another each night.

We celebrated Jesus the Light of the World. On Day One, we learned about Sal the Salamander, Sal reminded us that Jesus gives us Hope. For Bible Quest the children learned how the Prophets had foretold the arrival of the Messiah giving HOPE to the world.

On Day Two, we learned about Mawtha the Moth, who reminded us that Jesus gives us Courage. For Bible Quest the children learned how Jesus gave Peter courage to walk on water.

Day Three, we learned about Radar the noisy bat. Radar taught us that Jesus gives us Direction. For Bible Quest the children learned about the Sermon on the Mount.

Day Four, we learned about Olivia the barn-owl with a heart-shaped face. Olivia reminded us that Jesus Gives us Love. During Bible Quest the children learned about Jesus's death and resurrection. Jesus showed what real love is by giving his life to save us.

Day Five was a shortened day due to the family picnic and closing, but we learned about Glow the Glowworm. He taught us that Jesus Gives us Power. During Bible Quest the children saw a demonstration of sin's effect on our relationship with Jesus. On Friday, the parents attended the Bible Quest with the Spelunkers.

Friday's closing program included a demonstration of the effect of sin on our relationship with God and how Jesus had to die to repair that relationship.

There are so many to thank for all of the work and effort spent planning, preparing and executing the successful VBS. If I miss anyone, please forgive me.

## Thank you...

*Dorothy Lourdon wishes to thank Pastor Mark and the Church family for their visits, prayers and cards during her recent shoulder surgery and recovery.*

*God is so good to give me friends like each of you.  
Thank you....*

... **Tara Knable** has moved to Ohio being transferred to a super-max prison and jail combined. They have a total of 500 inmates which is a change from the 3200 in Hagerstown. She is a nurse and does intakes from the police departments in the county and sick calls for corrections and the jail.

Prior to moving, she had emergency gallbladder surgery which was inflamed and had 'goopy' (lol) matter in it and it needed to come out - according to the ER doctors. Being stubborn only because of the move she was about to make, she went home for about three hours and had to return to the hospital because the pain and sickness was unbearable. She had surgery the next day and upon being released later was told not to lift more than 10 pounds for four weeks...which got her out of moving (so she laughs, she was the supervisor)!

A big reason for her transfer and move, she had struck up a relationship with a former college mate whom she dated off and on for two years - **Joshua Yager**, who lives in Ohio. In 2013 they became friends on Facebook and re-opened their friendship. Both had become mature in their relationships and talked about the 'what ifs'. It took three more years for those 'what ifs' to become a reality. Joshua made a visit to Maryland and they both agreed this is what they wanted. So she made the move after much thought and prayer to Ohio to build on their relationship which started 11 years ago. Joshua has a three year old adorable son. Tara is residing at 4430 Grand Avenue, Shadyside, OH 43947.

Tara is the daughter of Wanda (Johnson) Sanders and Rounder Knable; niece of Brenda & Delbert Biser. She grew up in our church and has become a very good friend to many.

*"This isn't goodbye - it's I'll see you later!" -Tara*

*That's all I needed!!! Just got back home to find 4 police officers in my house looking for something, acting like lunatics!!! Even through underwear, which was rather embarrassing!!! They checked under*

*the A/C and inside my bed mattress tearing it apart!! When I asked if they had a search warrant, they answered completely hysterically, "Where did you hide it?? We know it's here somewhere!!! At least 1,000 possibilities went thru our minds....but I thought I would let them search for whatever they were looking for, let's see if and what they will find!*

*Approximately a half hour later, I watched one of the police officers look at his mobile phone and then he shouted, "Stop it! We are in the wrong house!! Pokemon is next door!"*

Facebook 7/25/16

*This summer has been so hot, especially the latter part of July, that Washington Township's Municipal Department's metal shed ceiling fans had melted causing the fan blades to completely droop!*

-Facebook/Record Herald 7/28/16

*Three special birthdays were held in August - Happy Birthday to these 'young' fellas:*

**Alvin W. Jones II** celebrated his 97th birthday on August 22nd at his home in Homewood Retirement Center, Apt. 2313, 16505 Virginia Avenue, Williamsport, MD 21795. He was 'showered' with many well wishes from his family and friends.

**Richard Poling** was surprised by his church family with a birthday celebration following the Sunday School hour on Sunday, August 21st. The event was hosted by the Pairs & Spares Sunday School Class. Richard turned 80 on August 19th.

Our youngest celebrating member was **Ralph 'RJ' Simmons, Jr.** who turned 16 on August 8th. I've heard rumors that the celebration was a big one including a trip to Hershey Park and some other events.

*Happy Birthday, fellas!*

**Shelly Horner and Jason Barnhart**

were married on a beautiful, sunny Saturday, August 6, 2016 in Hagerstown City Park among family and friends. They are residing on Antietam Drive (Washington Township), Waynesboro, PA. Congratulations to the happy couple!

## Hello, Great-Grandpa!!

Glad to meet you!! This was the first time **Gracie** would have anything to do with her grandpa. The Starliper's had hosted a family dinner at Hickory Bridge the night before they left Pennsylvania to return back home in Shakopee, Minnesota - half-way across the U.S. She is an adorable young lady. Has her mother's looks (grandma's, too). It was a privilege to have Lori, Marlin Fugate and daughter Jessica Peterson and her baby, Gracie, come for a week's visit. And Chewie, their Shiatsu pup who had *fun* with 'grandpa'. We keep in touch via Facebook. *(Now I like Facebook!!! Get to watch her grow!)*

Summer events were put on hold for two young men.

**Elijah Brown**, Laura & Steve Shuck's grandson, suffered a broken foot while spending the night at a friend's house and playing on their trampoline late at night. He was wearing a 'boot' for four weeks until his foot healed.

Cousin, **Gunner Lesher**, the Starliper's grandson, was also had a sleepover at his friend's house when the boys decided to play basketball. Jumping with the ball to get it in the net, Gunner came down and bent his foot causing three hairline fractures of the ankle. He is still wearing his boot until it heals properly. Several more weeks (6-8 weeks) till recovery). Makes it hard to maneuver going to school! And not to mention being able to participate in football!

**RJ Simmons** has been dealing with aching muscles and just not feeling up to par. After having tests completed found that he has Lyme's disease. He is on a month long medicine treatment that hopefully will help.

Little brother, **Jamin** had his tonsils and adenoids removed. He had a rough week and needed to go to the hospital on Tuesday. He is home, but miserable. Praying for a speedy recovery for the boys.

Also, although this is not a young man, but a young lady, **Dollie Sanders** had shoulder surgery August 16th and is doing well recovering.

**Garry Huff** also had surgery on Tuesday of this week - a partial knee surgery (at the time of this printing).

Trust all our patients are doing well and having a speedy recovery.

## Welcome Home Friends!!

Colin Donatto  
Boy Scout's  
God and Country Award  
July 24, 2016

We recently recognized **Colin Donatto** for receiving the Boy Scouts God and Church award. Colin and Pastor Mark met together for several months to complete the work book. Colin completed a photo album as a part of

the project. The album reviewed the history of Germantown Church of God, as well as our beliefs and various ministries. Colin learned who Jesus is, and how Jesus witnessed and ministered to others.

Colin serves in many capacities. He is a Den leader for younger Cub Scouts. Colin serves in our Church by helping in the sound booth each week. He helps his mother with Children's Church once a month. He spent a week volunteering at Good News Camp. And he is the "Lemonade Man" when we go to the Rescue Mission each month.

Colin is the son of Ann and Vino Donatto and brother of Corey Donatto. Joining us for the presentation were Colin's grandfather, Charles Manahan, his Aunt Becky and Uncle Roger. Wayne Buhrman represented the troop leaders, and Colin was joined by fellow scout, Jett Bitner.

## POETRY BY GWEN...

# SEPTEMBER

The month of September  
Brings colors so bright  
The hot days are gone,  
Now to our delight.  
The leaves come down,  
Red, yellow and brown  
They are so beautiful  
As they fall on the ground.  
The colors are gorgeous  
From evening to dawn,  
They all too soon they are all gone,  
As winter approaches we feel much regret,  
Our summer and fall are all gone and yet  
We hope our winter won't last too long,  
Then spring will arrive  
And we burst into song!
