FROM THE PASTOR

Many of you know that I like baseball. Some of my favorite memories as a child were playing catch with my dad, and taking in an occasional professional game. I am a fan. I enjoy watching baseball games. I love watching spectacular fielding plays and powerful swats of the ball. A few weeks ago I went to watch the Hagerstown Suns play a Sunday afternoon game. It was a fun day. I almost caught a foul ball. (Had it in my hand,

but dropped it). I'm not particularly a Suns fan. My interest in this game was to watch Tim Tebow, who was playing for the opposing team. Tebow is a young man who had a very successful career as a college football quarterback. He

has not been able to establish himself on the professional level as a football player, so he has returned to one of his other athletic loves – baseball. In addition to being a talented athlete, Tim Tebow is known for his strong Christian faith. Tebow's team – the Columbus Fireflies were in town for a four-game weekend series against the Suns. Many people came to see Tebow. Most of them were drawn to him because of his faith. He received applause and shouts of encouragement every time he came up to bat. He is very popular. My understanding is that in spite of the intense popularity, his faith has remained strong. He is humble and likes to connect with fans. His foundation has helped disadvantaged young people. As far as I know there are no rumors of inappropriate relationships. I pray that his faith and witness will remain strong.

On this day, it wasn't just Tim Tebow's skills and faith that caught my attention. Before the game began, I looked down the right field line and saw a group of Suns players kneeling on the grass, and appeared to be praying. It

touched my heart that these grown men – Tebow and the Suns players – were willing to let their faith in Jesus be evident. I am challenged by their witness to consider my own faith and how I let others know where I stand. I hope that my words and actions will be a strong testimony.

MEN'S FELLOWSHIP

Our men's fellowship meeting in June was a breakfast at the Church, prepared by ladies from our Church. It was a good time of fellowship and a great and bountiful breakfast. Thanks to our ladies for taking care of us.

Monthly meetings: Men of the Church are invited to join us for a time of fellowship, devotions and prayer on the 3rd Saturday of each month. We meet at 7:30 AM at Parlor House restaurant.

Jeff Harner Ordained: On Tuesday, May 2 during the Eastern Regional Conference annual meetings, Pastor Jeff Harner received Life Ordination. Pastor Jeff grew up here at Germantown Church of God. He is the son of Lynn & Chubb Harner, and grandson of Pastor Clarence McGaha. Pastor Jeff graduated from Lancaster Bible College with a degree in Ministry Studies. He is currently enrolled in the Master of Divinity degree program at Liberty University. He is serving as a teaching pastor at the Hanover First Church of God. Pastor Jeff is married to Elizabeth (Thomas) and they are parents of 3 children.

The annual walk to defeat ALS was held, June 3 at Baker Park in Frederick. Edey Dandy, a member of our Church family has been afflicted with this disease for over 20 years. As you may realize 20 years is a long time of living with ALS. For many, life expectancy is only a few months to few years. Edey is a living miracle. Edey's Feeties once again participated in the walk. While the walk already took place you can still support Edey and her team by making a donation to. Send your gifts to: ALS Association DC/MD/VA chapter, 7507 Standish Place, Rockville, MD 20855. Please mark Edey's Feeties on the check.

Missionary of the Month – August **Doug & Anna Karin Molgaard – Sweden**

Doug and Anna Karin serve in the country of Sweden. Here is an excerpt from their most recent newsletter:

We recently attended a music festival for the second year in a row. Music is something that brings people together and a great missional opportunity to meet people. So it's a place for us to share our faith and life with others.

This year we reconnected with people we met last year and with older friends and acquaintances from Gothenburg. One of the gifts Anna-Karin and I seem to have is to network people together and to create community. This was so nicely confirmed when we introduced our old friends with our new friends. A comment from an acquaintance, a person we met at a pub in Gothenburg who was the lead singer for a house band, said to one of our new friends: "Douglas and Anna-Karin are great at networking and have a huge network in Gothenburg." To hear that from this person only confirmed that what we are doing is working. In a world of online social media and a place where people are lonely, bringing people together is a mission in itself but it doesn't end there. Community, as I often say, is where conversation happens and where God can show up in wonderful ways.

An example of that is two weeks before coming to this music festival, one of our new friends found out that her pregnant daughter had leukemia. During the festival she heard that there were complications with her daughter. We were sorry to hear this. We felt the pain our friend was going through and that she couldn't be with her daughter. Anna-Karin was able to naturally comfort her and took a moment in the middle of a crowded music festival to pray for her. This unusual practice in this kind of venue brought a great comfort even to the other friends around us, and our friend was extremely grateful. The next day good news came that the situation with our friend's daughter had improved. God Is Good!

Beautiful things can happen when we dare to go places and meet people that perhaps we as Christians are uncertain about. Again, it is about bringing Christ to the people and seeing the spirit of Christ manifested in our relationships; this is when we see God working in others.

Please pray for the Molgaard's. If you would like to support them financially, please designate your gift CC 2756, and send to Churches of God, General Conference, P.O. Box 926, Findlay, OH 45840

...**O**ur deepest Heartfelt Sympathy and Love is extended to Brian Luke and family in the passing of his brother, Bill Sloan on May 17th.

Also, Greg Mann's father, Richard, died on May 23; his uncle, Donald Mann who is an identical twin to

Richard passed away on May 30th.

Our prayers and sympathy are extended to these two families as they mourn the home going of their family members.

Nadine McFarland has moved to Hagerstown, MD. Her new home address is: 1410 Kensington Drive, Apt. 102, Hagerstown, MD 21742. Phone number: 240-347-4791.

Josephine Willard and daughter and son-in-law, Deanna and Greg Shaffer have moved to 13129 Shawnee Circle, Waynesboro, PA. They are 'sharing' a half house – *with no steps!!* BTW: Their phones remain the same.

Shelley Johnson recently spent a 'girls weekend away' in Ocean City, MD enjoying the ocean breeze and swimming in the ocean along with her three 'girl friends' (sisters??). Not just enjoying their company, the beach, but the food that was available to them. Relaxation is the keyword here.

Daughter, Natalie, spent a week traveling with someone from the company to Tennessee, Georgia, South Carolina and North Carolina as part of her summer internship with Martin's Pastry Shoppe! Great opportunity and experience in her field of study!!

Air Force Capt. Paul Sanders has a new assignment working in Intelligence at the Pentagon – a lifelong achievement. He has 16 years of military experience.

Paul is the son of Larry and Vicki Sanders of Cascade, MD and lives in Cascade with wife, Stella Sween and two children, Madison and Owen. Paul and Stella are in the

process of renovating their house following a fire several months ago.

Word has been received from Ana Weissenbach that her dad, Karl, is very ill. Karl, Jessica and Ana attended and became members of Germantown while they lived here several years ago. He worked at the National Archives in Washington DC and became director of the Eisenhower Museum in Abilene, KS retiring in 2016. Karl would love to hear from his friends. You may send him a note and prayers at 1102 N. Cedar St., Abilene, KS 67410. Our prayers go out to Karl and his family.

POETRY by Our Friends...

GOD

Each day we pray to God above,
To keep us in His care.
He hears each word before we speak,
He is always there.
He answers prayers for each of us,
We are happy as a lark.
He has love for us in His heart,
From morning, then through dark.
We praise Him day by day,
His love we cherish so.
To know He loves us means so much
As through each day we go.
We try to do the best we can,
And live a fruitful life,
Without any anger or remorse,
Just happiness and glee.
Knowing He is with us each
As we pray on bended knee.

-Gwendolyn Ridenour

Spread God's Word

Sometimes
I want to shout
with glee –
“Hey everybody,
look at me –
I found God!”

I found Him
in the warmth of friendship
in the joy of giving
I found Him
in loving
in laughing -
in Living!

I found God
And you can find Him, too –
Just open up your heart
and God will come
to You!

Longtime Coach honored...

Gary Peck, Jr. speaks on Monday, May 22, 2017 about his father, Gary A. Peck Sr., who is the 2017 recipient of the Tommy Robinson Award bestowed by Waynesboro (PA) American Legion Post 15 in recognition of his longtime coach's commitment to youth sports.

Accepting the award were his widow, Molly, sons Gary, Jr. and Jeffrey and daughter Amy Julias.

Gary was friends with Tommy Robinson, a baseball coach, as well as Earl W. "Spanky" McCarney, who won the award last year. Gary would have been honored to have his name on an award with these two men, Jeff says.

He played on the semi-professional Waynesboro Tigers team which had several alumni in attendance for the award ceremony. "He was a hands-on kind of guy who affected lives of thousands of children and made a really personal and positive impact on their lives.

Gary Sr. passed away on March 4th and is missed by his family and friends.

Congratulations . . .

Hiking with Grandpa...

Wayne & Jude, Bob & Nathan

Wayne Buhrman and grandson Jude Buhrman along with Bob Sherald and his grandson Nathan Breneman recently enjoyed a grandfather/grandson weekend of hiking on the Appalachian Trail. The foursome headed out from the trail head off of PA Route 16 and hiked two miles to the Deer Lick Shelters on Friday, June 2. On Saturday, June 3 they hiked four miles to the Tumbling Run Shelters. The boys enjoyed cooling their feet in the creek after hiking, playing in the campfires at night, and running through the woods. They didn't spot any bear but did see a few long snakes!

God has no phone,
But I still talk to Him.
God has no Facebook,
But He's still my friend.
God does not have a Twitter,
But I still follow Him.
